

COLOR OUR WORLD™

2025 SUMMER
READING PROGRAM
JUNE 2nd - JULY 23rd

AROUND THE WORLD

Fill your passport as you visit all seven continents with fun activities.

AVIATION ANCESTORS

Find out about early aviators and create a variety of aircraft to take home.

CHEMISTRY OF COLOR

Explore the properties of color. Create something with your own dye!

CREATING THE CONSTITUTION

Learn about the United States, then make a quill pen and ink to write your own constitution.

DRUM UTAH

March to the beat of your own drumming as you try some percussion instruments with Nels Anderson.

FOIL ART FUN

Create your own embossed foil art and let your creativity shine!

IMPROV & STORYTELLING

Learn about storytelling and do some fun improv with Master Storyteller Kristen Clay!

LIBRARY CAMP-IN

Camping at the library! Come make a campfire craft, then join us as we tell stories, sing songs, and have fun around a giant (fake) campfire!

THE MAGIC OF TRES THE GREAT

A magic show for the whole family!

MAGIC ACADEMY

Enter our Library Magic Academy to make wands, color changing bracelets, and more!

MARTIAL ARTS MADNESS

Learn some basic martial arts strikes and then try your hand at it!

MEET THE FARM ANIMALS

Visit and pet farm animals in this petting zoo!

MEET THE SMALL PETS

Meet and learn about some small animals!

MESSY ART

Make crazy art to decorate your library. Wear old clothes!

MUSICAL INSTRUMENT PETTING ZOO

Try your hand at a variety of musical instruments, and make your very own Instrument.

OIL PASTEL PAINT-A-LONG

Come have fun with this low-mess art medium.

ORIGAMI

Learn about the art of origami and practice your paper folding skills with the Origami Lady-Ginger Shaw!

POLYNESIAN DANCE

Watch and try out some traditional Polynesian dances (fire dance NOT included).

SECRETS OF THE UNIVERSE

Explore the visible spectrum of colors to discover the secrets of the universe through fun-filled science and art activities with Clark Planetarium.

SOLDIER FOR A DAY

Scope out military gear and try your hand at face camouflage with the U of U ROTC!

SPY SCHOOL

Go through the training, decipher fingerprints, make gadgets, try the target practice, and get the certificate that proves you're a certified spy!

TRACTOR PETTING ZOO

See a tractor up close, learn about Utah farming, and make your own living necklace!

WASHINGTON'S SPYMYSTRESS

Meet Lydia Darragh, a spy during the Revolutionary War, and try cracking codes of your own.
